

On behalf of the Chairman of the UMTS Forum you are cordially invited to be our guest at a forthcoming seminar entitled:

3G/Mobile Broadband Eurasia Leadership Seminar

to be held on **Thursday 2nd July** in Istanbul, Turkey. There is no fee for participation – please see the draft programme.

Organised by the UMTS Forum – an international industry association committed to the global success of UMTS/3G mobile systems and their LTE - the seminar will be hosted by the Turkish operator, Turkcell, and will take place at their HQ offices in the city centre.

The agenda will cover the current status of the success of UMTS/3G as well as the major challenges, deployments, and long term perspectives, focusing on Mobile Broadband, HSPA/HSPA+ and LTE – please see draft agenda for detailed topics.

Should you be interested in participation please complete and return the registration form so that full venue address and directions can be sent to you.

Kind regards

Kind regards
